

Dear Parents,

I am super excited to have fun with your kiddos over the summer! We have a very exciting 10 weeks planned. The first priority is to have fun and the second priority is to learn! So I have combined the two to help them learn but in a fun different way. There are some weeks that we will need donated items or items to be brought from home to help us with projects. I am super into incorporating technology so feel free to let your child bring their iPad, Kindle, tablet, laptop, etc. we will be playing games on websites and doing group games together. If your child doesn't have one no worries I will bring my iPad, tablet and laptop to be used as well. As always if you have questions or concerns let me know and I will help as much as possible. Here is a weekly look at our plans:

Week One: May 23rd – 25th

- Create personalized binders with individual projects and games to play during individual learning time.
- Create about me posters.
- Sign up for summer reading!
- Things we will need:
 - Three ring binder (any size)
 - Picture of child and family members

Week Two: May 28th – June 1st : 1, 2, 3 Blast Off!

- The daycare will be closed Monday, May 27th for Memorial Day!!
- We will be learning about space and the solar system!
- Field Trip: Highland Road Observatory
- Things we need: toilet paper rolls

Week Three: June 4th – 8th: Let's Go Garden

- We will be learning about gardening and flowers!
- Field Trip: Cohn Arboretum in Baker
- Things we need: bottle caps any size/type

Week Four: June 11th – 15th: Underwater World!

- We will learning about water!
- Field Trip: Zachary Community Park, Greenwood Community Park, Liberty Lagoon
- Things we need: fishing equipment (we will be going fishing at the Raising Cane's park across the street)

Week Five: June 18th – 22nd: Let's let off some STEAM!

- We will be learning about science, technology, engineering, art, and math!
- Field Trips: Riverbend and LASM
- Things we need: MAGNETS (any kind and type)

Week Six: June 25th – 29th: Let's Go Outside!
